## **REGULATORY REVIEW WORK GROUP TO MEET JANUARY 6**

(FRANKFORT, Ky.) – The Commissioner’s Work Group for Regulatory Review, one of the groups involved with developing a new accountability system, will meet Friday, January 6 from 8:30 – 10 a.m. ET in the State Board Room, 300 Sower Boulevard, 5th Floor, Room 514, in Frankfort.

The Accountability Work Groups, as support to the Accountability Steering Committee, will design various elements of Kentucky’s new school accountability system under the Every Student Succeeds Act (ESSA) – the new federal law governing public education.

The Regulatory Review Work Group will review recommendations from the other committees and determine if the proposals meet the statutory requirements of ESSA, identify any amendments to existing state statutes that may be required as a result of the proposals and determine any required state regulatory changes needed as a result of the recommendations.

Each work group will make recommendations to the Accountability Steering Committee, which will in turn make recommendations on the overall system to Commissioner of Education Stephen Pruitt. The Kentucky Board of Education must approve any changes in the accountability system.
